- Clean body lines - no grass build up - no water traps
- HD silicone manganese swing back flails
- 2 or 4 blade options

# SPECIFICATIONS

**The 'M' Series Slasher/Topper** are designed with the orchard, vineyard and farm paddocks in mind. 'M' Series is suitable for 40-80 hp tractors. Built-in smarter gear features make light work of tough jobs and because the 'M' Series is part of the Fieldmaster range you know their rugged construction will give you years of trouble free work. A wide range of cutting widths means tidying up between the rows has never been easier. 'M' Series is a real versatile multiuse, multipurpose machine designed for the rigors of the way, be it pasture topping, mowing down orchard or vineyard rows, cutting light weeds or gorse, 'M-Series' will come through unscathed!

Heavy duty offsettable linkage frame

Heavy duty driveshaft with full cover system for safety

Safety PTO cone for added safety and protection for the operator

Adjustable skids with smooth anti-scalp runners to reduce snags

Floating top link to allow the topper to 'float' over undulating ground

High speed 75hp H.D. ductile iron Ag gearbox

Twin rear stay bars for increased stability

Reversible skids for longer life ('Hot-skids' optional)

Durable 'Ultragloss-600' paint work

6mm 250 grade plate deck with Fieldmaster unique subframe "stress-brace" monocoque system

Heavy silicone manganese heat treated swing-back flails

Real clean underbody and overbody - no grass build-up or water traps

Case hardened flail bush 'pivot' system for extra safety and long life

Labyrinth output seat protector

**The Fieldmaster Story**  
Since 1955 Fieldmaster products have been trusted nationwide. We build innovative machinery with our customers in mind – smarter gear to make your work easier. We stand behind all our products, so if you have a problem, we fix it – that's smarter care.
