KUBOTA EASY-OVER MID-MOUNT MOWER DECK RCK60D-26BX RCK54D-26BX

Australia's Top-selling Sub-compact Tractors are now even easier and versatile to use with the innovative new EASY-OVER mid-mount mower decks.

New **Easy-Over** drive-over deck design now available in 54" and 60" Sizes

Kubota's new Easy-Over mid-mount mower decks for BX sub-compact tractors make removing and attaching mower decks a quick and easy, effortless operation. Just slide out the 40 degree ramps and release the spring-loaded rear anti-scalping

wheels. Drive-over the deck. Positively lock the rear of the deck in place with the spring-assisted Rear Deck Lock, and connect the universal joint using the one-touch lever. Retract the ramps, raise the deck and off you go!

Prototype version of mower deck shown in photos above.

Class-leading Drive-over Mower Ground Clearance

The new Easy-Over mid-mount mower deck features a full 6 inches of transport ground clearance — best among sub-compact tractor drive-over mower decks. Class-leading ground clearance means much better clearance over damaging obstacles.
